## **Graduation Edition**

**Welcome to the end of year newsletter for Muhammadi nursery. Alhamdulillah we have completed another successful and exciting year. We would like to thank the parents for all their help and support throughout the year. We have tried our best to deliver caring, learning and developing opportunities through collaborative effort from the parents and the skills and expertise of the staff.**

**Parents, children and nursery worked together to help the children learn and achieve variety of experiences. We have finished off the year with a lovely graduation ceremony which should help them realise the big transition ahead of school and it was also a good opportunity for their hard work and nursery experience to be appreciated. We pray they all settle in well at school, and looking forward to them coming back to visit us.**

### **Sports Day**

**Nursery's Annual Sports Day took place this term, Well Done to all the children for participating and a special thanks to mums and dads for supporting the day and joining in with the races.**

### **CONGRATULATIONS**

**In July 2011 a member of our Team Mrs Sajida Rajbhai completed her BA Honours in Childhood and Family Studies achieving a first class honors. We would like to congratulate her on her achievement and are very proud to have her as a member of our team.**

## Ash End House Farm

The red group went on a trip to Ash End House Farm. It was an educational and fun filled day where children got to see all the different kinds of farm animals. The children got a hands on experience of feeding the animals too.

### Breakfast club

Having listened to the feedback from the last annual evaluation, Muhammadi Nursery will be opening our first Breakfast club. We found many parents struggle to get to work on time as the nursery does not open till 9:00. Therefore we will be opening a breakfast club which will start at 8:30am, this session will need to be pre-booked. The children will also get the chance to have a warm breakfast of cereal or toast.

### Fees Structure for September 2011.
